

2025 Ramp-athon Application

The Coeur d'Alene Regional Realtors (CRR) is accepting applications for our 1st Annual Ramp-athon. Members of CRR will be volunteering their time and resources to build and/or install free access/wheelchair ramps for homeowners in need within Kootenai, Shoshone, and Benewah counties.

Application deadline is 4pm PST, May 30th, 2024. Ramp installation will take place in September 2025, and the exact timing will be confirmed in August.

A completed application indicates a desire to have a ramp added to the external entrance or garage entrance of the home, with the understanding applicant will accept the ramp if selected. Cancelling at the last minute denies someone else the opportunity to receive a ramp. The recipient must be the **homeowner** and must be **aware of application—NO SURPRISE RAMPS**.

All completed applications will be reviewed by the association. Applying is not a guarantee that your application will be chosen.

Please include the following to complete your application:

- Pictures or video of the location where the ramp is to be constructed. Failure to provide pictures is considered an incomplete application and your application will not be considered. Photos must be taken within the last year and cannot be from Google Maps.
- A working phone number is required so that our team can contact you regarding your application. *If you are a case worker or NOT the recipient submitting this application, please provide contact information for the ramp recipient or their family.*

If you have any further questions, contact Keith Pitsch, 206-713-9063 or Keith@SummitLendingUSA.com.
